

Notice Regarding a Website Impersonating Our Company

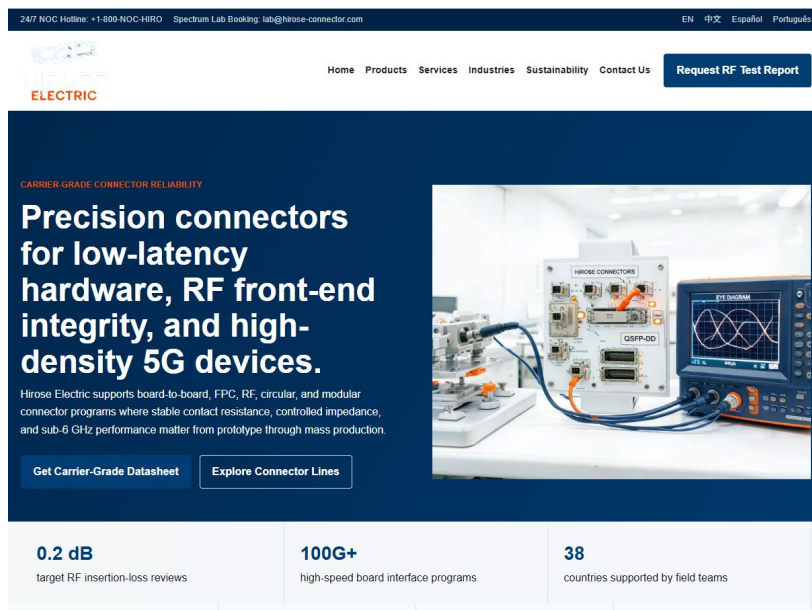

August 12, 2026

Hirose Electric Co., Ltd.

We have confirmed the existence of a third-party website using our company name and brand name.

Based on our investigation, the website listed below is not operated by Hirose Electric Co., Ltd. or any company of the Hirose Electric Group, and **has no affiliation whatsoever with our company**.

- Site name: Hirose Electric - Precision Connectivity Solutions
- URL: hiroseus.com

We are currently investigating and taking appropriate action regarding this website. We urge customers not to use this website and to exercise extreme caution. Please **do not enter or provide any personal information or other important information** on this website.

For product purchases or confirmation of corporate information, please be sure to use our official website.

- Official Hirose Electric website: [HIROSE Electric Group](http://www.hirose.com) (www.hirose.com)

We apologize for any concern or inconvenience this may cause and appreciate your understanding.
